

End user rebates January 1 through December 31, 2021

# Go Zebra Trade-in Program: A Powerful Sales Tool For You

Zebra makes it easy for your customers to earn rebates on printers, mobile computers, tablets, data capture devices and zebra onecare when they upgrade

**GO ZEBRA**  
TRADE-IN PROGRAM

# A New Realm Of Possibilities— and Savings—for Your Customers

When your customers are looking for new ways to boost productivity, increase visibility and make decisions, help them upgrade to our next-generation solutions—and take advantage of our sizable rebates.

With the **GO Zebra Trade-in Program**, you can kick off the sales dialog and present customers with a compelling financial reason to migrate from outdated devices to leading-edge printers and mobile computers.

**By purchasing one of Zebra's eligible products and trading in an old unit, customers can earn a rebate of \$50 to \$600.** Customers that upgrade their printers can save even more when they purchase a Zebra OneCare service contract.

GO Zebra is an ongoing promotion designed to help you get in the door and close the deal. We'll periodically add new products into the promotion to give you new opportunities to reach out to your customer base.

**Open the door.** Looking for a good reason to contact your customers and prospects and begin a new conversation? Now's the time. Let them know how they can save when they upgrade and trade in their old products.

**Help your customers' bottom line.** With its significant rebates, GO Zebra improves your customers' ROI.

**Address customers' recycling needs.** GO Zebra takes the recycling burden away from your customers. We'll responsibly dispose of their old units, at no cost to them.

**Provide a reason to upgrade.** Are your customers lagging behind the competition? Our powerful rebates offer solid justification for getting rid of aging products and putting our latest technology into the hands of workers.

**Put go zebra to work for you. Help customers Save—and boost your sales success.**

## Make the sale with go zebra

Rebates up to **\$25** per data capture device

Rebates up to **\$250** per mobile computing device

Rebates up to **\$600** per printer device

Rebates up to **\$50** when Zebra OneCare is sold alongside an eligible printer.

# Mobile Computing & Tablets Rebates

January 1 - December 31, 2021

Help your customers capture real-time data and deliver on-the-go productivity with our powerful mobile computers and tablets. Check out the chart below for the rebates your customer can earn for eligible mobile computers and tablets. To help focus your sales efforts, we've also included a list of devices your customers may be looking to replace.

## Eligible trade-in mobile computer & tablets

As long as the customer's older handheld device has a screen 2" in diagonal—regardless of manufacturer—we'll accept it.

\* Eligible trade-in products are NOT limited to these suggested trade-in products.

# Data Capture Device Rebates

January 1 - December 31, 2021

From the checkout line to the production line, from the hospital room to the stockroom, your customers can rely on Zebra to capture critical data the first time, every time, with no errors. Help them seize savings by trading in eligible scanners listed in the chart below. This is your chance to sell them on the advantages of 2D scanning, such as faster transactions with mobile payments, deeper customer loyalty and greater efficiencies. They'll gain an edge in performance, and you'll gain a satisfied customer.

## Eligible trade-in barcode scanners

Trade-in barcode scanners must be a laser scanner, linear imager, or area imager.

\* Eligible trade-in products are NOT limited to these suggested trade-in products.

# Printer/zebra Onecare Rebates

January 1 - December 31, 2021

Zebra's extensive portfolio of printer products and solutions give your customers smarter ways to track and manage their assets. Review the chart below to see which Zebra printers are eligible for a rebate. Your customers can also take advantage of additional savings when they purchase Zebra OneCare service contracts for their printers. Drive your sales forward by suggesting which of their old units might be in need of replacement.

## Deliver savings on zebra onecare for printers

Printer availability is key to the success of your customers' businesses and the return on their Zebra printer investment. With our Zebra OneCare Support Services, you can ensure that our Zebra mobile, tabletop, desktop, card and kiosk printers achieve maximum uptime and peak performance. Customers get unmatched support from experts with unparalleled product knowledge.

With three service levels to choose from—Essential, Select and Premier—customers will find a Zebra OneCare offering that meets both their service requirements and budget.

\* Eligible trade-in products are NOT limited to these suggested trade-in products.

# Battery Trade-ins

January 1 - December 31, 2021

Earn \$20 cash back on Zebra's new Dual 3-Slot Battery Charger when you trade in the Quad Battery Charger. Zebra's Dual 3-Slot Battery Charger is designed to simultaneously charge up to six PowerPrecision+ batteries from a single AC outlet. By leveraging Zebra's PowerPrecision+ technology, the charger is able to assess health and charge status and identify the best battery per cradle; allowing users to quickly cycle batteries back into operation. The LED also indicates if a battery is "past its useful life" and should be replaced; minimizing printer downtime.

The Dual 3-Slot Battery Charger supports the following PowerPrecision+ batteries:

- ZQ610/ZQ620/QLn220/QLn320/ZQ500 Standard Battery Packs
- QLn220/QLn320/ZQ500 Extended Battery
- ZQ610/ZQ620/QLn220/QLn320 Healthcare Battery Packs
- ZQ630/QLn420 Battery Packs

Purchase the following dual 3-slot battery charger	Eligible Zebra Trade-in SKU	End User Rebate
<b>SAC-MPP-6BCHUS1-01</b>	<b>AC18177-5</b>	<b>\$20</b>

\*Trade-in only on SKU listed in chart above.

Lithium-ion batteries degrade over time. As they age, the performance of mobile printers can be affected. Help your customers operate at maximum capacity by refreshing old Batteries. The chart below shows how they can earn \$10 cash back for trading in their batteries — including select competitor's models — with every qualifying purchase.

Purchase any of the following Zebra mobile printer batteries to receive a rebate	Eligible Zebra Trade-in SKUs	End User Rebate
<b>ZQ610/ZQ620/QLn220/QLn320/ZQ500 Standard Battery Pack</b>	<b>P1031365-059 P1031365-025 BTRY-MPP-34MA1-01</b>	<b>\$10</b>
<b>ZQ630/QLn420 Battery</b>	<b>P1050667-016 BTRY-MPP-68MA1-01</b>	
<b>QLn220/QLn320 Healthcare Battery ZQ610/ZQ620</b>	<b>P0165668-018 BTRY-MPP-34MAHC1-01</b>	
<b>iMZ Series</b>	<b>AK18353-1</b>

<b>ZQ110</b>	<b>P1070125-107 P1070125-108 P1070125-007 P1070125-008</b>	

\*Trade-ins from alternate battery suppliers are also acceptable.

## Eligible trade-in batteries

Rebates will be issued for each trade-in battery or charger, one-for-one, based on the number of batteries purchased as a separate line item on the reseller invoice.

# Targeting Your Customers

Build GO Zebra into your overall sales strategy, so your entire sales team can make the most of these significant rebates to help them close more deals. GO Zebra should be front and center for opportunities where:

**The customer wants to boost worker productivity.**

The latest mobile computers and printers help them meet key business objectives—and compete more effectively.

**Budget is a major obstacle.**

Rebates lower the customer's costs, making it easier for you to close the deal.

**The customer is considering consumer devices.**

Many customers are attracted to the price points of consumer mobile computers, even though analysts have reported that consumer smart phones actually increase Total Cost of Ownership compared to enterprise-grade devices. GO Zebra rebates help reduce the upfront investment in rugged devices.

**The customer's mobile computers and printers are nearing end of life.** As replacement parts become harder to find, upgrading can help to protect workforce productivity.

**The customer wants to take advantage of Android applications on their mobile computers.** Older mobile computers can't support the highly graphic and intuitive applications that the Android OS offers.

## The Go ZEBRA promise

**Easy for you.**

Make the sale and provide the customer with the invoice. That's it. There are no promotion codes needed.

**Easy for your customer.**

Your customer completes a short online form and packs the trade-in units. We'll take care of the rest.

# Sales Tools

With the GO Zebra Trade-in Promotion, you have the tools you need to reach out to customers, educate them about the promotion and close the deal.

**Customer Rebate site**

Customer can visit [www.zebra.com/gozebra](http://www.zebra.com/gozebra) to get rebate details, submit a rebate claim and check rebate status.

**Customer Brochure**

You can co-brand a customer-facing GO Zebra brochure, which features current eligible products and a promotion overview. Reach out to your Channel Account Manager (CAM) to learn more about co-branding.

**Bring your customers the latest technology,  
Big savings and free recycling.**

# Rebates Made Real Simple

## Rebate and trade-in process

Your customers are just four steps away from savings—and the latest market-leading solutions.

- 1. Purchase**  
You make the sale and provide customers with your invoice that includes eligible GO Zebra products.
- 2. Rebate registration**  
Your customer visits [www.zebra.com/gozebra](http://www.zebra.com/gozebra) and completes the simple rebate claim form, providing information on their eligible purchased products and trade-in products. To submit proof of purchase, they can attach a copy of your invoice or fax it to us at (847) 890-6408. Alternatively, you can complete the form and send the invoice on your customer's behalf. Please feel free to remove pricing from such invoices.
- 3. Trade-in**  
The customer packs the trade-in products. We'll send an email asking your customer for information on the size and weight of the boxes, and we then arrange for pick-up by FedEx. We cover the shipping costs.
- 4. Rebate**  
Once we receive the trade-in units, we process the rebate check and send it to the end user.

**Please note:**

Under the official rules of the GO Zebra Trade-in Program, customers are not able to take advantage of the program when eligible devices are sold via a Price Concession. Please be sure to notify your customers when their purchase involves a Price Concession, rendering such transaction ineligible for this program.
