### Program Eligibility

1. This offer is being made from Zebra Technologies to end users in the form of a rebate for purchases made between January 1, 2024 and December 31, 2024.
  2. The Program applies to new purchases of qualifying devices (the "Qualifying Products"). End users must purchase Qualifying Products from a Zebra PartnerConnect reseller ("Reseller").
  3. The Program website at [www.zebra.com/gozebra](http://www.zebra.com/gozebra) sets forth the rebate amount associated with the purchase of each Qualifying Product.
  4. For mobile computers, any manufacturers' brand or model of mobile handheld device with a display equal to or greater than 2" is eligible to be traded in, including Zebra, Motorola, Psion, Symbol and Telxon.
  5. For printers, any Zebra or competitive thermal barcode or card printer is eligible to be traded in but must power up and include the printhead.
  6. For scanners, traded-in scanners must be comparable to the one being purchased.
  7. For environmental sensors, any ready to use indicator from any other manufacturer is eligible.
  8. For batteries, traded-in batteries must be comparable to the one being purchased and must be a separate line item on the Reseller invoice. Trade-ins from alternate battery suppliers are also eligible for trade-in. Any end user participating in Zebra's battery maintenance or battery refresh programs is not eligible for this Program. Only the charger listed is available for trade-in.
  9. The end user cannot combine this with any other offer, promotion, or special pricing ("Special Pricing") provided by Zebra to the Reseller as part of the same transaction, unless otherwise stated by Zebra in the applicable promotion or program. It is the responsibility of end users to verify with their Resellers that such Resellers have not purchased the Qualifying Products at Special Pricing.
  10. Some Qualifying Products are available only to Resellers that have met certain requirements. If the Reseller you are working with does not have access to a product you want, you may choose to work with a different Reseller for that product purchase.
  11. Rebate claims must be completed online, and eligible trade-in devices must be received by Zebra no later than 90 days from the date of your Reseller's invoice.
  12. Rebates will be issued for each traded-in product, one-for-one, based on the number of Qualifying Products purchased.
  13. The end user may choose to utilize the Program more than one time.
  14. Zebra reserves the right to change, cancel, modify or end the Program at any time with or without notice.
  15. GO Zebra is available only to Zebra end users in the continental U.S. (excluding Alaska, Hawaii, and US territories) and Canada.
